According to this scenario, I would reprimand
THE FIREFIGHTERS - be that maybe only VERBAL
your FIREFIGHTERS get plenty of time to work
on their VAC schedule. Most officers want
them done a week prior to Christ doing them
so that (I) one F.F. can hold up a whole
District for not turning in on time

Also that is why you ask to have them done
and turned in before hand - not just
because of situations like this.
